### Services:

1. **Distribution of donated children's items to clients:** These include clothing, toys, books, shoes and boots, coats, and baby equipment, including strollers and highchairs.

Clients are encouraged to call the church office on a weekday morning to make an appointment to come to the CNDC. We are open to receive clients on Tuesday mornings between 9 and 11. Families are usually allowed two large bags of clothing and may come to the CNDC once per season. No referral is necessary for this part of our program.

2. **Provision of new infant car seats:** A referral from a social service agency/worker or the hospital is necessary to access new infant car seats. The worker should contact a CNDC coordinator, by email, to find out if a car seat is available and make arrangements for it to be picked up. Clients will be asked if they are able to give a small donation (could be \$2, \$5) toward the purchase of more car seats when they pick theirs up. It would be helpful if workers make this known to their clients. If the family cannot donate, this is not a problem.

If at all possible, we prefer that car seats are picked up on a regular Tuesday morning, but other arrangements can be made. We do not give out car seats more than a few weeks prior to the due date.

**Please note,** we do not have the next stage car seat for older infants.

### Access to Services:
